## OUR SERVICES

---

### Appraisals

The Fine Art Group provides appraisals for the purpose of insurance, taxation and probate, trust and estate, donation, family division and divorce, and sale on the open market or art as collateral, as well as other valuation scenarios.

---

### Advisory

Our experienced Art Advisory Team can guide you through the acquisition process of blue-chip art, jewelry, and other valuable collectibles.

- **Acquisition:** offering expert art consultancy when buying across all sectors of the art market
- **Market Analytics:** guidance through the often-opaque market with unmatched market insight

---

### Collection Management

- **Philanthropic Planning:** expert advice for the donation of valuable collectibles
- **Exhibition Strategy:** creation of bespoke strategies for publicly exhibiting your collection

---

### Agency

We can also create a comprehensive sales strategy to maximize value and efficiency when selling a single collectible or an entire collection.

- **Monetization:** planning what, when and how to monetize tangible assets and complimentary valuation estimates for appraisal purposes
- **Selling Conditions:** Due to high transaction volume, we have the best-in-market global commission rates with all major auction houses and pass cost savings directly to the seller

---

### Art Finance

We are market leaders offering art-secured loans, advances and credit solutions of high quality works of art and jewelry. We offer unrivalled speed of execution on loan funding owing to a unique combination of renowned in-house Art, Legal, and Finance expertise.

---

### Art Investment

The Fine Art Group is the world's leading art investment house with a 20-year, audited art investment fund track record. We also offer Private Art Accounts for capital preservation and growth through investment in unique quality artworks.
